Tobacco Neutralizer Air Deodorizer

Features:

Eliminates Offensive Odors V.O.C. Compliant Pleasant Vanilla Scent

Description

This product is an effective tobacco and malodor neutralizer without a heavy fragrance. The pleasant hint of vanilla allows this product to be used in any area. This product's ability to neutralize odors completely makes it perfect for hotel rooms, offices, conference rooms and nursing homes.

Directions

Pre-test fabrics in a hidden area to ensure staining does not occur.

Do not spray directly on painted or varnished surfaces.

For general deodorizing:

- **1** Spray with a wide sweeping motion.
- 2 Use wherever odors occur, and as often as needed to maintain freshness.

Applications

Odor neutralizer for:

- > Restrooms
- > Bars and nightclubs
- > Hotels and closets
