

MAXIM PLUSTM

LABEL SYSTEM

All Purpose Neutral Cleaner

Features:

Synergistic Surfactant Blend

Requires Minimal Agitation

Safe on All Washable Surfaces

Description

This thick, rich, pink liquid has a sweet, pleasant fragrance. Completely synthetic and concentrated for flexibility, this versatile product effectively cleans all surfaces not harmed by water including floors containing acrylic finishes and waxes, walls, appliances, glass, etc. It is aggressive in removing tough soils. but still mild to the skin.
