## Acid CIP Acid Circulation Cleaner

### Features:

**Low Foaming**

**Nitric & Phosphoric Acid Blend**

### Description

Acid CIP is a specially formulated acid detergent designed for use in cleaning, descaling, and passivation applications. The blend of nitric and phosphoric acid and low foaming surfactant make it ideally suited for circulation cleaning applications. The blend of nitric and phosphoric acid are designed to solubilize beer stone, milkstone, and a variety of inorganic deposits.
