

MAXIM[®]

Lemon Oil Furniture Polish

Features:

Ready to Use

Cleans, Dusts and Protects in One Easy Step

Leaves Mirror-Like Finish

Pleasant Lemon Fragrance

Description

This product is the perfect polish and cleaner for use on hotel and office furniture, formica, metal, plastic, and vinyl surfaces. This product cleans, dusts, and protects in one easy step. Polished surfaces will resist fingerprints and leave surfaces clean with a mirror-like finish.

Directions

Read entire container label before using this product.

For cleaning and polishing metal surfaces:

- 1 Hold can upright about 4 - 6 inches from surface.
- 2 Spray lightly onto surface. Do not over-spray. May also be sprayed onto a cleaning cloth for hard-to-reach areas.
- 3 Immediately wipe surface with a clean, soft cloth. Do not allow to dry on surface.

Applications

Cleans and polishes:

- > Wood
- > Formica and metal
- > Plastic and vinyl surfaces
