

MAXIM[®]

Sno-Ball Freezer & Cold Room Cleaner

Features:

Odorless

Removes Soils Without Freezing

Description

This product is a unique blend of solvents and surfactants that effectively loosen all types of organic soils from freezer walls, floors, ceilings and shelving including grease, fats, oils, food deposits, grime and all freezer soils. When used as directed, this product allows for easy removal of soils without freezing.

Directions

NOTE: Read entire container label before using this product.

For cleaning freezers and cold rooms:

- 1 Do not dilute.
- 2 Apply plenty of product with a brush, mop or sprayer.
- 3 Allow to stand a few minutes.
- 4 Scrub tough soils if necessary.
- 5 Wipe clean with a squeegee, mop or sponge. Do not use water.

Applications

Cleans freezers & cold rooms in:

- > Restaurants
- > Food processing operations
- > Meat packing plants
