

MAXIM PLUSTM

LABEL SYSTEM

Enzyme Fortified Bacterial Digestant / Deodorant

Features:

Bioactive Formula Digests Organic Blockages

Safe on Plumbing

Highly Effective Deodorant

Description

This product is a safe, bioactive blend which attacks organic solids such as greases, fats, proteins, and carbohydrates, destroying malodors at their source.

This product is recommended for use in grease traps, septic systems, drain lines, refuse containers, and all areas where organic solids are the cause of malodor problems.

Applications

Digestant / deoderant for:

- > Grease traps, drains and down pipes
- > Septic tanks and holding tanks
- > Refuse containers
