

MAXIM PLUSTM

LABEL SYSTEM

Truck Master T&T

Features:

Concentrated

Versatile

Softens Hard Water

Description

This product is a powerful, high performance, one-step cleaner for all types of tractors and painted trailers. When used as directed, this product will effectively remove road film, heavy dirt deposits, and other grime with either hot or cold pressure washer systems using minimum amounts of brushing.

This product is also excellent as the alkaline step in a two part acidic/alkaline wash system.

Applications

For removing road film on:

- > All types of tractors
- > Painted trailers
- > Trucks
