

MAXIM PLUSTM

LABEL SYSTEM

A-Plus Aluminum Brightener

Features:

- Highly Concentrated
- Removes Oxidation
- Fast Acting

Description

This product is designed to brighten aluminum and aluminum alloys. It is a balanced compound that penetrates and dissolves oxidized surface film, bringing out the natural luster of the metal.

Excellent for continuous maintenance of aluminum and alloy highway trailers and mobile homes, stainless trailers, and aluminum building panels, maintaining an attractive, clean appearance. This product removes black soot.

Applications

Aluminum brightener for:

- > Highway trailers
- > Mobile homes
- > Aluminum building panels
