

MAXIM PLUSTM

LABEL SYSTEM

Carpet Extraction Rinse

Features:

Removes Ice Melt and Beverage Stains

Neutralizes Excess Alkalinity

Fast Acting

Description

This product is a mild acid that removes browning and most tannin stains. This product neutralizes alkaline residues and serves as a complete acid spotter.

The controlled wetting rate, low foaming properties, and deep cleaning action makes the product suitable for use in conjunction with all types of extraction machines or bonnet rotary brush carpet cleaning operations.

- **1** **Wear safety glasses & gloves**
Usar gafas de seguridad y guantes
