

MAXIM[®]

Mega Mop Ultra

Features:

Single Use Packet

Easy to Use

Pleasant Fragrance

Residue Free

Description

This product is a concentrated damp mop cleaner that uses low foaming surfactants and neutral chelating agents to clean all hard surface floors not damaged by damp mopping with water. Chelating agents help suspend solids and salts into solution to prevent filming on floors in high salt areas (sea salt, rock salt). This product is an excellent cleaner that leaves no residue.

Directions

For damp mopping:

- 1 Sweep floors.
- 2 Add one packet per 4 gallons of mop water.
- 3 Mop thoroughly, rinsing mop in cleaning solution frequently.

Applications

Damp mop concentrate for:

- > Schools and offices
- > Lobbies and corridors
- > All water-washable hard-surface floors
