

MAXIM[®] PLUS[™]

LABEL SYSTEM

Non-Butyl Heavy Foaming Degreaser

Features:

High Foaming Formula

Clings to Vertical Surfaces

Penetrates and Loosens Soils

Description

This labor-saving product forms a thick, stable foam that clings to vertical surfaces when applied through a “foam gun” apparatus. A longer contact time will allow this product to easily remove grease, oil, fat, dirt, and grime from virtually all washable surfaces.

Versatile and economical, this product is also an effective cleaner/degreaser when applied by more conventional means such as trigger sprayer, mop or pressure sprayer.

Directions

1

Wear safety glasses & gloves

Usar gafas de seguridad y guantes

2

Use 2 oz of product per 1 gallon of water

Usar 2 oz de producto por 1 galón de agua

3

Apply foam liberally to surface

Aplique abundante espuma a la superficie

4

Allow time to penetrate and scrub as needed

Dé tiempo para que penetre y friegue lo necesario

5

Rinse thoroughly with clean water

Enjuagar completamente con agua limpia

Applications

Ideal for:

- > Removing grease, dirt, and grime
- > Foaming applications
- > Cleaning heavier soils
