

MAXIM PLUSTM

LABEL SYSTEM

All Fabric Bleach Liquid

Features:

- Oxygen Bleaching Agents
- Safe on Most Fabrics and Colors
- Contains No Chlorine

Description

This bleach has a concentrated blend of oxygen bleaching agents specifically designed for use on colored and synthetic fabrics. The mildness of this bleach permits it to be added to the laundry during the filling operation or during the bleach operation. This bleach is also safe for use with enzyme presoaks and regular laundry detergents.

Hot solutions (160° F or higher) provide the best bleaching results, but this bleach may be used in all temperatures.

Directions

- 

1 Wear safety glasses & gloves
Usar gafas de seguridad y guantes
- 

2 Use in approved dispenser and attach to corresponding laundry line
Use en el dosificador aprobado y conecte a la línea de lavado de ropa correspondiente
