

Non-Corrosive Bathroom & Bowl Cleaner/Descaler

Features:

- Super Concentrated**
- Non-Butyl**
- Removes Hard Water Deposits**
- Environmentally Responsible Choice**

Description

This product is recommended for daily cleaning of sinks, showers, tubs, toilets, tile, porcelain, drinking fountains, grout, and metal fixtures. Removes soap scum and hard water deposits from showers and other acid resistant restroom surfaces. Removes hard water scale stains, and rust deposits from toilet bowls, and urinals. Contains no solvents or fragrances.

Directions

- For use on acid resistant surfaces only. Do not use on marble, terrazzo, aluminum or aluminum alloys.*
- DO NOT MIX with bleach, chlorinated cleaners, ammoniated cleaners or alkaline compounds.*
- See product label for cleaning/deodorizing toilets and urinals directions and for additional uses and instructions.*
- Improper use of this product may affect cleaning performance, result in excess waste, and may increase the risk of health effects.*
- Dispose of any unused product in accordance with local, state and federal regulations. Rinse container thoroughly with water and recycle empty containers. Do not reuse containers.*

Personal protective equipment:

Use eye and hand protection when using this product.

For general restroom cleaning:

- 1 Use 8 oz. per gallon of cold water.
- 2 Apply to surface with a mop, cloth or sponge.
- 3 Allow to penetrate a few minutes, scrubbing if needed.
- 4 Rinse thoroughly with water.

Applications

Cleans acid-resistant surfaces in:

- > Hotel / motel restrooms
- > Hospital / medical restrooms
- > School / gym restrooms & locker rooms
