

# Power Stripper

## Features:

**Environmentally Responsible Choice**

**Low Odor**

**Readily Biodegradable**

## Description

Natura® Power Stripper is EcoLogo™ Certified to Hard Floor Care Products UL 2777. This stripper combines a blend of readily biodegradable surfactants and environmentally responsible solvents to completely loosen and remove metal-free floor finishes with minimal scrubbing.

## Directions

*Stripper performance will vary based on number of coats, age and type of finish previously applied. Pre-test a small area of flooring to determine the minimum concentration required.*

### Personal protective equipment:

*Use eye and hand protection when using this product.*

### For stripping floor finish:

- ➊ Starting with the edges of the room, use a mop to apply liberal amounts of solution uniformly to floor.
- ➋ Let solution soak for 5 - 10 minutes. Allow more time for heavier build-ups. DO NOT allow solution to dry on floors.
- ➌ Scrub with a stiff brush, or machine scrub using a black pad.
- ➍ Pick up solution with clean mop, wet vac or auto scrubber.
- ➎ Mop up any streaks or any tracks left behind by autoscrubbers before they dry. Detail mop with clean water.
- ➏ Rinse thoroughly with a clean mop and water.
- ➐ Let floor dry completely before applying floor finish.

### Dilutions:

- ➊ *For normal stripping:* Use 13 oz. per gallon of water (1:10).
- ➋ *For heavier build-ups and tough finishes:* Use 32 oz. per gallon of water (1:4).

## Applications

### For stripping floor finishes in:

- > Hotels and motels
- > Hospitals and nursing homes
- > Offices and schools

## Specifications

Color ..... Colorless

Fragrance ..... None

pH Range ..... 11.0 - 11.5

Dilution ..... 13 - 32 oz. / gal.

Density ..... 8.45

## Packaging

4/1 gallon 956000-41

## Product Certifications

Hard Floor Care Products UL 2777
