

# Floor Finish Maintainer

## Features:

- Removes Heel Marks and Restore Scuffs**
- Mop-On or Use Autoscrubber**
- Environmentally Responsible Choice**

## Description

This environmentally responsible floor restorer and maintainer may be applied by mop or with a floor scrubber. Works with all low, high, and ultra high speed maintenance systems. Formulated with no zinc or other heavy metals. Concentrated for economical use dilutions.

## Directions

*For best results, first dust mop, then damp mop floors and allow to dry completely.*

### Personal protective equipment:

*Use eye and hand protection when using this product.*

### For maintaining floors:

- 1 Coat entire floor surface with solution.
- 2 Allow to dry completely, then buff or burnish floor finish.

### Dilutions:

- 1 For mop-on application: Use 4 oz. per gallon of water.
- 2 For automatic scrubbers: Use 2 oz. per gallon of water.

### Recommended pads for buffing or burnishing:

- 175 - 1500 RPM: White Pad
- 1500+ RPM: Beige Pad

## Applications
