

Laundry Sour Softener

Features:

Phosphate-Free

Neutralizes Alkaline Residue

Environmentally Responsible Choice

Description

Natura® Ecodetergent is EcoLogo™ Certified to Liquid Laundry Detergent and Fabric Softeners UL-2776. This product is a fabric softener and neutralizer that reduces wrinkling and static electricity, speeds extraction and drying. Neutralizes harmful chemical residue. Makes white and colored fabrics brighter. Also improves ironing time. Contains no Nonyphenol Ethoxylates, Phosphates, EDTA, NTA or known carcinogens.

Directions

Keep from freezing.

DO NOT MIX with bleach, chlorinated cleaners, ammoniated cleaners or alkaline compounds.

This product can be used in the souring-softening operation and is suitable for use on synthetic fabrics and cotton. Consult your laundry specialist for detailed operating instructions.

Personal protective equipment:

Use eye and hand protection when using this product.

For laundry softening:

Use 0.5 - 1 oz. per 50 pounds of dry fabric at a temperature of 90° - 120°F, for a period of 3 - 5 minutes.

Applications

For all washable linens in:

- > Schools and institutions
- > Hotels and motels
- > Hospitals and nursing homes
