

ecodish

Features:

Environmentally Responsible Choice

Non-Corrosive

Readily Biodegradable

Non-Filming

Description

Natura® ecodish is a versatile product designed for the demanding task of cleaning dishes, utensils, and glassware in low temperatures. This product provides controlled alkalinity for effective destaining and protein soil removal as well as special ingredients to keep wash jets, tubing, and fittings clean and operating at peak efficiency. This environmentally responsible formula contains readily biodegradable surfactants and is phosphate free.

Directions

For household size (3 gallon capacity) machines:

- 1 Empty one packet into detergent dispenser tray.
Do not use more than one packet per load of dishes.
- 2 Operate machine as usual.

Applications

For automatic dish machines in:

- > Resorts and condos
- > Extended stay hotels
- > All automatic dishwashers
