

Chlorine Plus

Mold & Mildew Stain Remover

RESTROOM CARE

DESCRIPTION

This pleasantly scented product is highly effective at removing mold and mildew stains. Leaves surfaces clean and smelling fresh. Safer than using straight bleach.

APPLICATIONS

Removes mold and mildew stains in:

- Bathrooms
- Decking
- Painted surfaces

- Exterior siding

FEATURES

- Stable Effective Cleaning
- Mold and Mildew Stain Remover
- Deodorizes as it Whitens

DIRECTIONS

Open spray nozzle to produce a narrow stream. Spray product directly onto surface to be cleaned. Allow 5-10 minutes for the product to penetrate and remove any mold and mildew stains. Rinse away with clean tap water.

NOTE: Test small amount of product in an inconspicuous spot to ensure no discoloration will occur.
