

# Deluxe Heavy Duty Concrete Cleaner

## INDUSTRIAL CLEANERS

### DESCRIPTION

This product is a powerful combination of heavy-duty detergents and abrasive additives that provides thorough cleaning of grease, oil, and other heavy soils from concrete and tile walls and floors. This product can be used in garages, meat packing plants, poultry plants, food processing plants of all types, and industrial plants.

### APPLICATIONS

Great for Walls, Concrete, and Floors In:

- Meat Plants
- Poultry Plants
- Food Processing Plants

- Garages
- Industrial Areas

### FEATURES

- Powdered
- Non-Flammable
- Pine Synergized

### DIRECTIONS

Scrape up caked-on grease and grime from floors before wetting thoroughly with water. Sprinkle product freely over entire surface to be cleaned. Allow 10 -15 minutes to penetrate and loosen soil. Go over floor with stiff deck brush or floor machine. Rinse entire area with pressure hose. Squeegee surface for faster drying. Alternatively, dissolve 4 - 8 oz. of product per gallon of water and cover the entire area to be cleaned with the resulting solution. Agitate with a stiff deck brush and rinse thoroughly. Squeegee surface for faster drying.

For exceptionally heavy accumulations of grease and oil, use a good solvent degreaser in conjunction with this product. Hot water will add to the effectiveness.

### SPECIFICATIONS

Color.....Orange  
Fragrance.....Pine  
pH Range.....12.0-12.5

Dilution .....RTU or 4-8 oz./gal.  
Density .....8.0

**CB3114-50.....50 lb. box**
