

Foam Extinguisher

Multi-Purpose Defoamer

CARPET CARE

DESCRIPTION

This highly concentrated silicone emulsion defoamer is for use in controlling a wide range of institutional, industrial, and janitorial foaming problems. It quickly and effectively destroys bubbles and foam on contact.

APPLICATIONS

Foam extinguisher for:

- Most carpet cleaning machines
- Any application where low foam is needed

FEATURES

- Controls suds level
- Economical to use
- Highly effective formula

DIRECTIONS

For most all defoaming needs, add ½ oz. of product per gallon capacity of recovery tank.
