

Rinse Aid

Mejor Enjuague

GENERAL CLEANING

DESCRIPTION

This odorless liquid concentrate is added to the final rinse water in a dishwashing machine by rinse injector. Formulated for use under a variety of conditions, it also works well in conjunction with most automatic dispensing equipment. This product reduces the surface tension of water, so that instead of spotting the water runs off, leaving dishware dry and clean.

APPLICATIONS

Use in:
• Commercial machine dishwashers

FEATURES

- Reduces spotting
- Concentrated
- Versatile formula

DIRECTIONS

FOR BEST RESULTS: Follow the equipment manufacturer's instructions for injecting into your dish machine. Use requirements will vary depending on type of machine. As a starting point, use 0.5 oz. of product per 10 gallons of water.
