Oven & Grill Cleaner

FOOD SERVICE

DESCRIPTION

This ready-to-use clinging oven and grill cleaner sticks to vertical surfaces, allowing extended contact time to clean ovens, grills, and food smoking equipment.

APPLICATIONS

Great for:
• Heavily carbonized soils on cooking equipment

FEATURES

- Powerful Cleaner
- Pleasant to Use
- Versatile Applications

DIRECTIONS

NOTE: Wear rubber gloves and goggles when using this product. Recommended for use on iron, stainless steel, ceramic, and porcelain enamel. Do not use on aluminum or other soft metals.

1. Scrape any loose deposits.
2. Spray liberally onto soiled surfaces.
3. Allow 15 minutes to penetrate and loosen stubborn soils.
4. Wipe off thoroughly.
5. Rinse thoroughly with potable water.
