

Break Away Non-Butyl Degreaser

FOOD SERVICE

DESCRIPTION

When applied with a foam gun, this product clings to vertical surfaces to remove oil, fat, grease, grime, and dirt from most hard washable surfaces. This product can also be applied with a mop, sponge, or trigger sprayer.

APPLICATIONS

Great for:

- Removing dirt, grease, and grime from washable surfaces

FEATURES

- Emulsifies Greasy Soils
- Foam Applications
- Concentrated

DIRECTIONS

Foaming Applications:

- Dilution requirements will vary depending on the type of foaming device, water temperature, amount and type of soil, and desired contact time.
- For best results, experiment with different dilutions to determine which provides the most stable foam with your foaming equipment.

Normal Foaming and Cleaning:

- Use 2 oz. of product per gallon of water. For heavier soils, use up to 6 oz. of product per gallon of water.

- Apply foam liberally to all soiled surfaces and allow sufficient time for foam to penetrate, loosen, emulsify, and dissolve soils. Rinse thoroughly with potable water.

Other Applications: This versatile product may also be diluted and applied by trigger sprayer, mop, sponge, brush, or other method.
