

Most Liquid Laundry Detergent

LAUNDRY

DESCRIPTION

Containing synthetic surfactants that lift and suspend soils, this product provides superior performance. For use in a wide variety of water conditions, it leaves no alkaline residue. Use it by itself or with a builder or break.

APPLICATIONS

A liquid laundry detergent for:

- Hospitals
- Nursing homes
- Institutional laundries
- Hotels

- Motels
- Schools

For heavy duty cleaning, use with builder.

FEATURES

- Lifts and Suspends Soils
- Saves Time and Money
- Leaves No Residue

DIRECTIONS

For Top Loading Washers: Use 1/4-1/2 cup depending on soiling and washer size.

For Front Loading Washers: Use 1/8-1/4 cup depending on soiling and washer size.

To pretreat problem areas, pour part of recommended amount on fabric and rub firmly. Add remainder of detergent to washer load with no extra amount needed unless extreme soiling is present.
