

BREAKROOMS

Maintaining a safe workplace starts with understanding which shared areas hold the most left-behind germs. Keep *Everything Clean* by properly cleaning and disinfecting these commonly-touched surfaces.

Key Touchpoints for cleaning include:

- 1  Door handles
- 2  Light switches
- 3  Table tops
- 4  Chairs
- 5  Food contact surfaces
- 6  Dispensers (soap, sanitizer, paper towels)
- 7  Sinks and fixtures
- 8  Misc. surfaces - coffee pot handle, fridge handle, etc.
- 9  Trash/recycling receptacles
